Why donate?

Support our Children - The PTA will contribute approx. \$1,000 per child to support their academic excellence

Boost Teacher Impact - Small Group Specialist, Professional Development, Technology and funds for supplies and field trips will minimize the effects of large class sizes and help our teachers deliver the best education

Expand and enhance learning through enrichment programs and activities - Without your support we risk losing our enrichment programs

Our children need your support now more than ever. Donate your time, talent or money.
